**BOULDER MEDICAL CENTER, P.C.**

---

Dear Patient,

We are pleased that you have chosen our clinic for your medical needs. Here are a few suggestions to make your visit with us a pleasant experience.

Please arrive 15 minutes prior to your scheduled appointment; this will give you ample time to check in at the front desk in our lobby and also, our department on the second floor.

If you have arranged for outside records to be faxed or mailed to us we would suggest you call our office a few days prior to your appointment to make sure we have received them. If we have not received your records prior to your appointment, you may be asked to reschedule.

Due to the length of an allergy consultation/work-up, there is a 48 hour cancellation policy. To avoid paying a no-show penalty please be sure to cancel your appointment 48 hours prior to your visit. To cancel your appointment, please call (303) 440-3083.

We look forward to meeting you.

Thank you,

Karen Andrews, MD
