

Dear Patient,

I hope this letter finds you well. It is with mixed emotions that I write to inform you that I will be leaving my current role as a Neurologist at Boulder Medical Center effective March 12th, 2024. I am immensely grateful for the trust and confidence you have placed in me as your neurologist. It has been an honor and privilege to be part of your healthcare team. While this transition marks the end of my direct involvement in your care, please know that your health remains my utmost concern. I am committed to ensuring a seamless transition of care for all my patients.

Your medical records are confidential and can be transferred to another doctor only with your permission. If you plan to see a physician outside Boulder Medical Center, please visit <https://www.bouldermedicalcenter.com/departments/medical-records/> to request that your records be transferred. Please call (303) 440-3135 if you have any questions about obtaining your medical records.

If you have been seen in the last 12 months and need prescription refills, please contact my office no later than March 1st, 2024, to allow time to process your request. After my departure, your primary care physician may provide refills for you. If your physician is not part of Boulder Medical Center, please contact their office directly for refill requests.

If your primary care physician is part of Boulder Medical Center, please contact them for refill requests:

- Broadway Internal Medicine: (303) 440-3082
- Broadway Family Medicine: (303) 440-3102
- Avista Family Medicine: (303) 666-2710

For patients on infusion therapies, other specialty immunologic therapies for the treatment of multiple sclerosis, or medications for the treatment of seizures, please reach out as soon as possible to schedule a follow-up to make plans for a safe transition to other local providers.

I have valued my time serving you here at Boulder Medical Center. Thank you for placing your trust in my care.

Best wishes,
Sidarth Dasari
