TOGETHER**

March 2026

Why Partner with BMC Specialists?

Boulder Medical Center is the only local, independent and physician-owned primary and multi-specialty practice in the area. Since 1949 our independence has enabled our providers to practice personalized, flexible, and innovative medicine.

An Extension of Your Team

When we see your patients, we are an extension of your ability to deliver exceptional care where patients feel seen, heard, and well cared for. Our specialists are deeply invested in our community and committed to open communication, timely consults, and patient-centered care.

We Provide

- Timely appointments
- Prompt patient follow-up to promote coordinated care
- Epic/MyChart EMR
- Decades of experience in the Boulder County community
- Physicians recognized as “Top Doctors”

We Accept

- Aetna
- Anthem Blue Cross Blue Shield
- Cigna
- Centivo
- Cofinity
- Devoted Medicare Advantage
- First Health Network
- Kaiser PPO, Medicare Advantage PPO
- Medicare Part B, with or without Medicare Supplemental Plan
- PHCS (Private Health Care Systems)
- Select Health
- Tricare Prime, Remote, and Select
- TriWest (with authorization letter)
- United Healthcare

Most major plans accepted.
